Week 1 2019/2020

Monday/Tuesday December 30. and December 31.:

Delivery of **weekly papers and weekend commercials**. The papers and commercials will be delivered to you on Monday December 30., at the latest.

You may start delivery from Monday the 30.12 and you have to be finished Tuesday, 31 12.00 o'clock at the latest. It may be a good idea to delivery as early as possible, as many mailboxes wierll be removed.

Thursday/Friday January 2. and January 3: – NORMAL DELIVERY

If you deliver co-distribution routes:

Co distribution will be split in the period from December 24, 2019 until January 1, 2020.

Check your work plan concerning morning papers and "Omdelingsinfo" on commercials and weekly papers.

VERY IMPORTANT – Always deliver according to the addresses on the cover.

The amount of commercials are increasing and especially in the mid-week there are many selected products in the sets and there is also commercials for NT+ addresses.

It is VERY IMPORTANT, that you deliver according to the addresses on the cover, even though there is at **BROWN** or **BLUE** sticker on the mailbox.

To make you work easier and du minimize the risk for delivery faults, it is very important that your walking order for both midweek and weekend are identical. If you need help for this – you are welcome to contact us on 99 24 50 50.

Never deliver in a full mailbox

The holiday season is still here and that means many people are not at home.

Remember never deliver in a full mailbox, as you must be able to close the mailbox, so that no one can see you have delivered to the address. Please inform us about addresses if any mailbox is full and you cannot deliver.
