

**ENGLISH VERSION:**

Year 2020 has been a very different year and we are still fighting against the Coronavirus.

But, while we still must keep distance, maintain good hand hygiene etc., we must not forget to enjoy the good things around Christmas, though it will be a different Christmas this year.

**VERY IMPORTANT – Always deliver according to the addresses on the cover.**

The number of commercials are increasing and especially in the mid-week there are many selected products in the sets and there is also commercials for NT+ addresses.

It is VERY IMPORTANT, that you deliver according to the addresses on the cover, even though there is at **BROWN** or **BLUE** sticker on the mailbox.

To make you work easier and du minimize the risk for delivery faults, it is very important that your walking order for both midweek and weekend are identical. If you need help for this – you are welcome to contact us on 99 24 50 50.

**Be visible and safe in the traffic.**

As it is very dark now, it is extra important that you are visible in the traffic when you are out distributing. Therefore, use your reflective vest **in daylight and the dark**. Take good care of yourself. If you do not have one, then please contact your distribution leader.

**Report of sickness/Telephone opening hours**

**If you are sick, you must contact us by phone no later than 10 AM on the delivery day.**

**Never deliver in a full mailbox**

The holiday season is still here and that means many people are not at home.

Remember never deliver in a full mailbox, as you must be able to close the mailbox, so that no one can see you have delivered to the address. Please inform us about addresses if any mailbox is full and you cannot deliver.
