

Important and new information about “Slutmelding” of routes.

In the future it is very IMPORTANT, to make the “SLUTMELDING” when you finish your routes on the day you have delivered.

This means:

Routes delivered Wednesday – “SLUTMELDING” of these routes MUST be done Wednesday.

Routes delivered Thursday – “SLUTMELDING” of these routes MUST be done Thursday.

The easiest way is to go to omdeler.nordjyske.dk MIN SIDE / SLUTMELDING and mark the routes you have finished.
